**Student Pick Up and Drop Off**

The District has implemented a closed campus on K-8 Sites. There is a Parent Drop-off and Pick-up Procedure throughout the district, lessening unregistered and unmonitored visitors from entering the site during morning drop-off and afternoon pick-up. If you have any questions regarding these procedures please contact our office at (760) 530-1750.

1. The drop off area is located at the front of the school. Students may enter through the bike gate or the gate open at the front office at 8:50. Students are to immediately report to their classroom. School begins promptly at 9:00. Front gates are then locked and students will need to get a tardy slip from the front office after 9:00.
2. Parents who want to walk students to the bike/office gate or pick them up at the gates should park in the parking lot. Due to the large number of students being picked up and dropped off, the parking lot may fill up quickly. Additional parking is across the street along the curb. You may then use the crosswalk with the assigned crossing guard to cross over to the school site. Parking along the street in front of the school is a No Parking Zone and cars can receive citations. The bus zone located near the kindergarten buildings are not to be used for parking or student pick up. We do have a few buses that need access and students should not walk through or cross through that area.
3. Please do not walk your child to the classroom or pick them up at the classroom door. Please see site administration or the school secretary if your student needs special accommodations for this procedure.
4. Parents are asked to schedule teacher conferences for a time that is convenient for both the teacher and the parent. Parents should refrain from holding personal conversations related to their student until a parent/teacher conference can be held.
5. Students are not to be dropped off before 8:40 a.m. There is no supervision before 8:40 a.m.
6. In the afternoon, please remember that students are dismissed to the parent pick- up zone at 3:05 p.m. Kindergarten dismissal begins at 2:50. Kindergarten students are dismissed at the kindergarten gate. First, second, and third grade students are dismissed at the front office gate. Fourth through eighth grade students are dismissed through the bike gate. Fourth through eighth grade students can pick up their younger siblings at the front office gate then exit through the bike gate.
7. Parents can also pick up students along the loop in front of the school. Please pull up all the way through the drop-off/pick-up zone to enable the maximum number of cars to

unload and load. Parents are to remain in their cars. This loop is designed for cars to continually move forward or exit. This loop is divided into two sections. The left side along the school side curb is for drop off and pick up only. Once students have exited the vehicle, you may pull into the right lane to exit the loop. Students can be dropped off at any part of the loop on the drop off side only. Please do not create a third lane down the middle. This creates a dangerous situation for students entering and exiting vehicles. Please follow traffic pattern indicated by signs and arrows for the drop-off and pick-up area.

8. Drivers need to be patient and courteous of others who are also waiting.
9. Students arriving late for school after 9:20 a.m. must be escorted by a parent/guardian into the building through the front entrance and signed in by the Attendance Office staff.
10. After school, please wait outside on the sidewalk in the parent waiting area.
11. We ask that parents not ask to have students be called to the office early if at all possible. Students should remain in their classrooms until the dismissal bell. Instructional at Ted Vick Elementary is bell to bell. ***Pick-ups within 30 minutes of the dismissal bell must be cleared by an administrator.***

When dropping off or picking up your student from school, please use the Parent Drop Off lane nearest the white curb. **For safety reasons, please do not drop or pick up your student in the parking lot or from across the street as they may not be visible to other drivers and may sustain injuries as a result of being hit by a car.** Students will not be released through the bus loading zone exit. Because of the buses, this area is considered unsafe for students exiting or entering the school. Walkers and bike riders are dismissed at the bike gate. **Students who have a parent driving to pick them up are dismissed from the front gate.** Students may ride bikes to school but may not ride them on campus. Bikes are to be walked to the bike rack. Students caught riding their bikes on campus will have them confiscated.

#### Late Pick Up

We expect that all students will be picked up no later than five minutes after dismissal. We understand that sometimes emergency or unforeseen situations occur which may interfere with a parent being able to pick their student up on time. When these situations arise, and we have not heard from the parent, we make every effort to get a hold of someone on the emergency card to come get the student. When we cannot reach the parent or anyone on the emergency card and thirty minutes has elapsed, it becomes necessary for us to call the local Sheriff's Department to pick the student up. If we have to call the Sheriff's Department, the student will be taken into protective custody and the parent will have to pick the student up at the Sheriff's Department.

#### To and From School

Students are expected to travel directly to and from school along the safest and shortest routes. Students are expected to exhibit the same behavior while en route to school and from school as on school campus. Ted Vick School has the authority by law and Board Policy to suspend or expel students for violation of their behavior on campus as well as to and from school.

Please arrive at school no earlier than 8:50 AM as there is not adequate supervision before this time. The school gates open at **8:50 AM** each morning.

#### LOST AND FOUND

Children will be able to view lost and found articles at lunch and during recess. These items will be kept in a box in the Multi-Purpose Room. At the end of the school year, all unclaimed clothing and items will either be donated to the Adelanto CRC or cleaned and used for school needs. Parents may want to check the Lost and Found area periodically throughout the school year. We make every effort to return lost items, labeling your student's personal items with their name helps us in our return efforts.

#### ATTENDANCE INFORMATION

Research has shown that for every day a student misses school, he/she becomes more than two days behind in class. Research has also shown that regular school attendance is an indicator for academic success.

**Absences:** In California, students are expected to come to school on a daily basis. Students who have three or more unverified absences and ten or more excused absences will be referred to the School Attendance Review Board and may receive a citation into court. If your student is absent from school, please call Daniella at (760) 530-1750. It is very important that you notify the school of your student's absence. After three days, all unverified absences will be marked as unexcused. Absences that are not verified during the three day waiting period, will be marked as unexcused according to the Adelanto School District SARB A policy and procedures.

**BP 5113/AR 5113 states: It is the parent's responsibility to contact the school office in order to verify their student's absence. Upon returning to school, parents will have three (3) days to provide a note or contact the school in person or by telephone to verify the absence. After three (3) days the absence will be permanently unexcused and considered a truancy. Disciplinary action may result from unexcused absences After three (3) days of cumulative unexcused absences, a truancy letter will be sent home and the District's School Attendance Review Board (SARB) will be notified.**

**Tardies:** The tardy bell rings at 9:00 AM. Students **must** be in their seats and ready to work when the bell rings. If your student is not in their seat by 9:00 AM., they will be marked tardy. Students who have three or more tardies over thirty minutes late will be referred for SARB A.

**Independent Study:** If it becomes necessary for your student to miss five or more consecutive days of school, you have the option of requesting an Independent Study Contract. If your student completes all of the required assignments at an appropriate level of mastery, he/she will receive attendance credit for the days he/she was absent. Failure to return the contract completed will result in your child being marked absent for the duration of his/her time away from school. You may contact the office to request an Independent Study Contract. Whenever possible, please allow a one week window from the time of the request to the student departure date to ensure that your student's teacher has ample time to prepare the work requested.

**Student Sign Out:** In the event your student needs to leave campus before the end of the regular school day, you will be required to come into the office and sign your student out. For safety reasons, students will not be allowed to leave the campus with anyone not listed on the emergency card or without prior written approval from the student's parent or guardian. Students will not be released to anyone without a photo ID. While we recognize this may be inconvenient, we value the safety of all our students. **Students may not be signed out the last 30 minutes of school without the clearance of an administrator.**

**Divorce/Custody of Children:** If your child has special custody or visitation agreements, it is most important that you bring this to the attention of the office staff. A copy of the court order document or final divorce papers must be given to the office. Without specific court documents on file, the non-custodial parent may sign out and remove the child from school. We will notify you in the event that this occurs and the Sheriff's Department may be called if we feel the students are in danger.

**Emergency Cards/ABI Information:** All students have an emergency card. Please make sure you update your student's card as soon as you have changes in address, phone number, insurance and guardianship. These cards are used in the event of an emergency or illness. You may check your student's information using the ABI online system found at <http://aesd.net>.

## **TRANSPORTATION**

Bus Riders: Not all students are eligible for transportation to and from school. For students in grades K-3, you must live outside the 1 ¼ mile radius. Students in grades 4-8 must live outside a 2 mile radius from the school. Please note that eligibility is based on the distance from the home to the school, not the home to the nearest bus stop. Please direct inquiries to the District Transportation Office at 246-5925 if you have any questions regarding transportation.

## **SCHOOL TO HOME COMMUNICATION**

While individual teachers may send home notes on a weekly basis, the office sends home parent notes on Wednesdays. Please check your student's back pack on Wednesdays for important school communications. Parents will also find important information regarding their individual student's grades and attendance through their student's Aeries account. Please see the school website or visit the office for information on setting up an Aeries Parent Portal.

Connect Ed phone calls will be sent out the night before all major school events and in cases of emergencies or missing students. Important event information can also be found on the school marquee, in the office and on the event board located outside the front office.

## **CAFETERIA**

Breakfast and Lunch: Breakfast is provided in the classroom to all students free of charge. Lunch is also provided to all students free of charge.

Allergies: Please inform Delise Barringer, Director of Food Services at (760) 246-4912 if your child has any unique food allergies that require special meal preparation.

## **HEALTH**

School Health Assistant: The TVE Health Assistant is utilized when a student becomes ill at school, needs minor first aid or is required to take a prescribed medication. The Health Assistant may only give medication accompanied by a doctor's note. All prescription medicine must come to school in the bottle it was originally dispensed in. Parents will be called to pick up their student when it is determined a student is too sick to remain in school. Due to privacy issues with our students, you are not allowed to use the health room door as an entrance or exit. Please enter and exit through the front office doors only.

The District Registered Nurse: The District Registered Nurse is available in cases of emergency and for routine vision, hearing and scoliosis screenings. She maintains the health records of students with health problems such as asthma, diabetes and allergies. She works closely with parents and the school to develop a care plan for each child with special health needs or concerns.

The District has a "No Nit" Policy: We have established a "No Nit" policy, which means that children are denied re-admission to the classroom until their heads are free of all lice eggs.

## **CAMPUS VISITATION**

Visitors: We are delighted to welcome parents and other *adult* community members to visit our campus. However, in order to help us ensure the safety of all, we require that visitors sign in at the school office before entering the campus. The Principal/designee will make every reasonable attempt to honor same day requests for parents/guardians and interested members of the community to visit the school, but request consideration for events such as state testing or other events which may cause a hardship to the class or school. While visits are welcome, we do not allow parents or other visitors to interrupt the learning environment while class is in session.

**EC 44810: Interference with School-Every minor over 16 years of age or adult who is not a pupil of the school, including but not limited to any such minor or adult who is the parent or guardian of a**

**pupil of the school, who comes upon any school grounds or into any school house and there willfully interferes with the discipline, good order, lawful conduct, or administration of any school class or activity of the school, with the intent to disrupt, obstruct or to inflict damage to property or bodily injury upon any person, is guilty of a misdemeanor, and is punishable by a fine of not less than one dollars (\$100) nor more than one thousand dollars (\$1000), or by imprisonment in the county jail for not more than sixth months or both.**

Volunteers: Theodore Vick Elementary has an active program for interested parents and community members eighteen and over who wish to volunteer. Coordinated by our attendance clerk, these volunteers work in classrooms and at the school to provide support and safety. A completed volunteer application, a TB Test and a copy of your driver's license, along with board approval must be turned in prior to volunteering at school. **Parents who wish to chaperone on field trips must receive volunteer approval from the School Board prior to attending the field trip.** Interested volunteers can call the school office at 760-530-1750. Parent volunteers are honored each year at a Volunteer Celebration. We have many opportunities for parents who wish to be an active part of the Ted Vick Campus.

Classroom Deliveries: Delivery of flowers, balloons, etc will not be allowed during the school day due to the disruption of learning time. Store bought cupcakes are allowed with previous arrangements and permission of the teacher.

Parent Teacher Conferences: Parent/Teacher conferences are scheduled for October 31<sup>st</sup> and November 1<sup>st</sup>. We encourage all of our parents to attend their conference. At the conference you will receive information on your student's progress towards mastering the California State Content Standards. If you are unable to make your scheduled conference time, please schedule an alternate time when you can come meet with your child's teacher. Progress reports are sent home on a regular basis, if you have concerns about your child's progress, we would be more than happy to meet with you.

#### UNIFORM COMPLAINT PROCEDURE

We ask that you seek first to meet with your school principal or teacher should a problem arise. We work very hard to ensure a satisfactory outcome to all. Should you have any concerns that are not handled appropriately by the school administration, you may request a public complaint form from either from the Ted Vick Office or the Adelanto School District Office. Once the complaint is filed, you will be contacted by School District personnel.

#### CAMPUS LIFE

##### ACADEMICS

Grade Reporting: The Adelanto School District grading period is divided into trimesters. If your student is "at risk" of not meeting grade level standards, you will be notified through mid grade period progress reporting and during formal conference periods. While we make every effort to notify you of your student's progress, it is your responsibility to ensure your child is making adequate progress towards mastering grade level content standards.

Homework: At Ted Vick we feel that literacy is the cornerstone to a great education. We ask that each child read for at least 30 minutes each evening. Students may read independently or with another family member. As we feel strongly that students need to have family and enrichment time after school, we will only send homework in the other content areas that we feel is necessary to sustain content mastery. If you would like to work on fluency with your child, we recommend getting flash cards in addition, subtraction, multiplication and division.

Assessment: Students are assessed throughout the year. Assessment data is used to drive the instructional needs of the school. In addition to the local Adelanto benchmarks, students in grades 2-8 are required to take the CST/STAR test each spring. In addition to the CST/STAR multiple choice test, students in the seventh grade are required to take an annual STAR writing test in March.

GATE: Each year students can be recommended for placement in the Gifted and Talented (GATE) program. Program placement is based on a variety of measures, including the RAVEN, state tests, teacher and parent observations and student aptitude. Students who qualify for GATE are placed in GATE clusters with a GATE certified teacher. GATE students will explore the curriculum using the icons of Depth and Complexity and will participate in enrichment activities designed to increase their critical thinking and problem solving abilities.

A.V.I.D (Advancement Via Individual Determination): AVID is an academic program on the Ted Vick Site. The AVID program is designed to get students prepared for college. Students are given a rigorous curriculum and the tools necessary to be successful in this curriculum. There is an emphasis on being college bound, so students are taught the skills necessary to help them successfully navigate a college application, a resume, A-G requirements and scholarships. Students will tour colleges and go on special fieldtrips designed to broaden their knowledge. We currently offer one AVID class per grade level. Students who wish to be considered for the AVID program must submit a letter of intent each year. Selected students will be asked to write an entrance essay and undergo a personal interview. Students not selected to attend the program will be placed on a waiting list. Parents who wish to know more about AVID can find information on the AVID website:  
<http://avidonline.org>

ELD (English Language Development) : Students with language development needs, as determined by their Hone Language Survey and annual CELDT testing, are given thirty minutes of English Language Development five days a week. During this time, the students work on meeting their ELD goals and objectives.

Intervention: All students are given every tool possible to meet and exceed the state mandated proficiency levels. With this in mind, the Ted Vick staff has developed an intervention program that is focused and specifically targets essential standards in language arts and math.

Academic Enrichment: We believe that students should have the opportunity to explore a challenging, exciting and rewarding curriculum that reaches beyond what can be done in the classroom. With this in mind, we offer opportunities for students to participate in after school clubs.

Afterschool Program (Think Together): TVE is pleased to offer an afterschool program for students in grades 1-8. We currently have 120 spots available for the program. Attendance is important, students who are frequently absent will be asked to leave the program. The program consists of academics, enrichment and physical education. Applications are available in the office.

Library: All students receive regular instruction in library skills. In addition, children are encouraged to use the library at other times. **Students who lose or damage books are required to pay for them. Students will not receive a report card if a book/fee is owed. Students who owe for library or textbooks will not be allowed to attend field trips, dances or promotion. Students are responsible for their textbooks at all times.**

## **STUDENT RECOGNITION**

We believe that every student on our campus can and will be successful. We take every opportunity to celebrate this success. We encourage and invite you to attend these celebrations.

Perfect Attendance: Students who do not miss any days of school are honored at the trimester awards. Students who have perfect attendance the whole year are honored with an award at the end of the year. In order to receive a perfect attendance honor, a student cannot have missed any days or have been tardy or picked up from school early more than five times in a year.

AR Store/Extravaganza: Ted Vick is an Accelerated Reader School. Students who meet their goals will earn points they can redeem in the AR store for prizes. Each trimester an AR assembly will be held to

honor those students making progress on their goals. At the end of the year an AR Extravaganza will be held.

Trimester Academic Recognition Assemblies: Each trimester, students will be recognized by their classroom teacher for their academic achievements, citizenship and assessment scores. Parents are encouraged to come and celebrate the achievement of their student.

Catch a Mustang Being Good: Students can earn tickets for demonstrating good character and citizenship on campus. These tickets will be placed in a box for prize drawings.

Mustang Round Up: The last Friday of every month is Mustang Round Up. During this time, Ted Vick classes will be chosen to show off their talents and “Catch a Mustang Being Good” tickets will be drawn. Students and staff will be recognized for their outstanding efforts in character and citizenship.

Classroom Celebrations: Throughout the year, teachers may designate a short period of time for a celebration. Parents often want to know what types of things they can provide for the celebration. District policy and County Health regulations prohibit us from serving home baked items. All food items brought to school for consumption by students must either be commercially prepared or prepared at the school site. If you would like to help with parties, please contact your child’s teacher.

Spirit Days:

Ted Vick School is a community of learners, both student and adult. In building that sense of community and belonging, we use a common language and have common goals. It is important that we celebrate together as well. Every Friday is School Spirit Day and everyone is encouraged to wear a Ted Vick shirt or our school colors of yellow and blue. Each month will have a specific Friday designated as a Special Spirit Day. Students and adults will be encouraged to participate in the theme of that month.

**PARENT ORGANIZATIONS**

Parent involvement in school is a critical indicator for academic success. Recognizing the importance of our parents, we invite you to be involved in every aspect of your student’s educational journey. A great way to be involved is to join some of the parent groups we have on campus.

PTSA: The PTSA is a parent organization founded with the purpose of supporting students and staff. The PTSA is a vital part of the TVE campus. Throughout the year they sponsor fundraisers and activities. The funds raised are used to provide the school with a variety of resources including fieldtrips. The PTSA meets bi-monthly when school is in session and can be contacted by calling 760-530-1750 and asking for Veronica Taylor (PTSA President).

SSC: The School Site Council plays an important role in the educational program at Theodore Vick Elementary School. Site Council voting members are elected for two year terms. The main responsibility for School Site Council is to assist in improving the learning environment here at Theodore Vick Elementary. All parents are encouraged to come and attend School Site Council’s monthly meetings even if they are not voting members.

ELAC: (English Learner Advisory Committee) The ELAC committee is made up of the parents of our English Language Learners. This committee meets throughout the year to discuss student progress and provide input for the instructional program for our English Learners, including categorical budget expenditures.

**ACCELERATED READING PROGRAM**

The staff at Ted Vick is committed to helping every student achieve to their fullest potential. The ability to read is a vital skill needed for both school and career. In an effort to get our students excited about reading, to increase reading fluency and to develop a community of readers, we have invested in the Accelerated Reading Program. Accelerated Reader is a program that levels books. Students chose books to read at their

given skill level. As students finish reading the books, they take a test on the computer. Depending on their score, they are assigned points which can be collected and used for special prizes. As students read and take computerized tests, their progress is monitored. When a student demonstrates consistent success at a given level, they are then challenged to move to the next level.

## **FAMILY LEARNING OPPORTUNITIES**

We offer a variety of fun learning activities for families to participate in each year. In the past we have hosted the activities below, but look forward to offering some new programs this year.

Literacy Night: We encourage all families to attend our annual Literacy Night. Literacy Night is an evening of exploration where we celebrate our Young Author winners, and where we explore literacy through a variety of hands on activities.

Geography Night: Also an annual event, our Geography Night draws big crowds. Come and explore the world through a variety of hands on activities that encourage cultural diversity, geography fluency, reading, math, science and social studies skills.

Science & Math Night: Like Geography and Literacy Night's, Science & Math Night is designed to give families the opportunity to explore math and science concepts and to spend time with each other.

Fall Festival: Each October, close to Halloween, TVE hosts a fall festival. The fall festival is a collaborative effort between the community, PTSA, staff, and students on campus. Students can purchase tickets to play games and receive prizes.

## **SCHOOL SAFETY AND DISCIPLINE**

**Positive Behavioral Interventions and Support:** Ted Vick School is a Positive Behavior Intervention and Support campus. We believe that all students can be taught the appropriate expectations for behavior. We also believe that when a student does not behave appropriately, that they need intervention and support. We work with every student, developing and using different methods of support to help all students achieve and behave their very best. Whether on the playground, classroom, multipurpose room or anywhere on the campus of Ted Vick, students will be held to high standards of behavior.

Discipline Philosophy: All students have the right to learn in a conflict-free environment. Therefore, teachers have the right to expect each child to demonstrate behavior appropriate for school. Students will be counseled when they make inappropriate choices. Every staff member on the school campus shares the same expectations for student behavior. When a student demonstrates negative behavior, they will receive consequences appropriate to the action. Students are expected to know and follow school and classroom rules at all times. In an effort to educate every student on the appropriate way to behave in school we hold behavior assemblies throughout the year, we model appropriate behavior and choices and we work closely with parents. We want every student at Ted Vick to receive the maximum benefits of attending our school.

### **Bus/Transportation Student Conduct**

It is the intent of the Adelanto School District to transport students as safely and as comfortably as possible. To accomplish this, it is expected that students will conduct themselves in a courteous and orderly manner. Any behavior which is not conducive to the safety and well-being of everyone riding the bus will be subject to disciplinary action. Bus riding is a privilege. Students who repeatedly fail to act in a safe manner will be removed from the bus permanently.

The state law (Section 14103 Title 5 C.A.C. "Authority of bus driver) reads: Pupils transported in a school bus shall be under the authority of and responsible to the driver of the bus, and the driver shall be held responsible for the orderly conduct of the pupils while they are on the bus or being escorted across a street, highway or road. Continued disorderly conduct or persistent refusal to submit to the authority of the driver shall be sufficient reason for a pupil to be denied transportation in accordance with regulations of the governing board of the District.

Riders who fail to comply with the above rules shall be reported to the school principal, who shall determine the severity of the misconduct and take action accordingly. In all instances of misconduct, the rider and his/her parent/guardian shall be given notice and warning. In case of a severe violation or repeated offenses, the rider may be denied transportation for a period of time determined by the principal, up to the remainder of the school year.

The principal or designee of the school will notify the parent of any written bus citation. The following consequences shall be followed:

- 1st offense—warning and ticket home
